

Motorists

- When overtaking cyclists give plenty room – as much as you would a small car
- Don't overtake cyclists in the face of on-coming traffic
- Slow down near mounted horses, walkers, joggers – give plenty of room
- Be patient if delayed by other road users
- Ensure you can stop in the distance you can see is clear, particularly on bends
- Show respect to other road users – acknowledge courtesies

Cyclists

- Wear light-coloured or reflective clothing and a helmet
- Use the cyclists gathering point
- Keep groups to under 4 and pull in regularly to allow passing
- Descend hills slowly particularly when wet and check your brakes before descent
- Look well ahead to spot changes in road surface, drains, etc...
- Pull in when safe and convenient to avoid tailbacks.
- Indicate clearly if changing direction
- Avoid ferry traffic if possible
- Ensure your bicycle is in good working order with lights and reflectors
- Show respect to other road users – acknowledge courtesies

Walkers/Joggers

- Wear light-coloured or reflective clothing
- Position yourself where you can be seen by oncoming traffic

Thank you &
Enjoy your stay on Arran!

ARRAN ROAD CODE

SHARE ARRAN'S ROADS SAFELY

ARRAN'S ROADS ARE UNIQUE!

Narrow winding country roads, challenging hills, changeable road surfaces and steep descents all make for a different road-using experience.

Cyclists, motorists, walkers, horse riders, joggers – whichever mode of transport you prefer, travel on Arran's roads, respecting your fellow road user.

Cyclists take advantage of the Cyclist Gathering Point at Brodick Pier as you disembark from the ferry to allow traffic to clear and allow you to start your cycling journey on a quieter road. Information boards here and at Ardrossan Pier will give you essential information to help you enjoy your cycling experience on Arran!

All road users can enjoy using Arran's roads safely by following the Arran Road Code.

Inside this leaflet is a very useful map and a copy of the road code.
